

SAFTY/SECURITY POLICY

Security and the safety of your child are of the utmost importance at Immanuel Wee Care. Procedures and technology are in place to provide for your child's safety and welfare. The staff is trained in First Aid, CPR, Emergency Preparedness, and Fire Evacuation. Disaster drills are performed on a regular basis.

Children must be signed in and out with staff before parents/guardians or designated escorts are permitted to leave the center who must come inside the building to drop off and pick up. Escorts unknown to the staff are asked for a picture ID. Doors to Wee Care are locked throughout the day. An intercom/doorbell system is installed that requires the parent/guardian/escort to communicate with staff before they are permitted to enter the building.
